

Why let us provide your court required services?

Our Evaluations & Assessments for Substance Abuse are provided by Counselors approved by the SAMHSA.gov / Department of Health and Human Services, (Substance Abuse Mental Health Service Association) credentialing requirements with specific DUI / DWI Service Provider training through DASA-(Division of Alcohol and Substance Abuse provider #no.29696.il) and IC&RC (International Certification and Reciprocity Consortium provider #no.804150) Our counselors are also ASI (Addiction Severity Index) certified and meet all of the required guidelines as outlined in the Department of Health and Human Services statutes.

Our Anger Management curriculum is provided by the US Department of Health and Human Services and our Counselors are certified through Anderson and Anderson, one of the top 5 providers of anger management services recognized by the Criminal Justice Department. All programs meet required credentialing.

We are credentialed participants utilizing the samhsa.gov and NIDAA approved integrated computer based services for diagnostic screening and live video for face to face evaluations. We are DSM-5 / ASAM criteria compliant and maintain rigorous HIPPA compliancy for privacy standards.

IMPORTANT: *Do not take a lack of credentialing lightly. It is imperative that anyone requiring a court purposes evaluation or assessment as well as Anger Management services should request credentialing information from the organization providing these services.*

Be warned: Your driver's license can be revoked should your evaluator or facilitator be found with less than acceptable credentials.
